THE MAYFIELD BAND (Band Master: Ken Rich)

HOLMEWOOD HOUSE SCHOOL CHOIR

Musical Director: Anthony Pape

ANTHONY SMITH-MASTERS : PIANO

CONDUCTOR : DEREK WATMOUGH

The Mayfield Band (formed 1920), consists mainly of players from the area, but some members travel as much as 20 miles to attend rehearsals and engagements.

Their ages range from 11 years to over 70 years and the younger members are trained, free of charge, to take their place in the band as soon as they become proficient. This makes a happy blend of ages and interests which helps the Band to provide musical entertainment for many local organisations throughout the year.

During the past eleven years the Band has been conducted by their Musical Director, Ken Rich, and have been successful in several recent contests.

The Band is independent and self-supporting. It is now saving hard to pay for the new set of instruments, (value £6,000), which they are playing today.
